

Activity Report

Name of the conference/workshop:

Workshop on Emerging Trends in Infrastructure Development

Objective of the programme:

Interaction between professionals and students.

Faculty Coordinator:

Prof. Dillip Kumar Bera

Duration:

5 days

Schedule/Programme:

18th-23rd February 2019

Summary:

School of Civil Engineering in association with Industry Engagement Cell (IEC) organized five days Industry Workshop on “ Emerging Trends In Infrastructure Development (Challenges and Opportunities)” from 18th to 23rd of February 2019. The Workshop included 18 leading Industry speakers from different construction industries. It was a great opportunity for students to interact with the speakers and understand about the industry growth and challenges in upcoming scenarios.

Full Name of Faculty Coordinator: Dr. Dillip Kumar Bera
