## KIIT Today

25/09/2019

### Mechanical Engineering Colloquium Lecture Series held at KIIT

Prof. Terrence Perera, Sheffield Hallam University, United Kingdom delivered a talk on "Supply Chain Management": Industry 4.0, IOT, Additive Manufacturing, Product Life cycle Modeling, Recent Practice and Future Outlook under the aegis of Mechanical Engineering Colloquium Lecture Series at KIIT on 24<sup>th</sup> September, 2019.

This lecture along with the discussion took place over one hour with the audience comprising mostly of students, research scholars, and faculty members who heard the Lecture enthusiastically. Meanwhile, Prof. Perera visited various advanced and specialized laboratories of School of Mechanical Engineering. At the outset, Prof. Ashok Kumar Sahoo, Director, SME, KIIT DU felicitated the speaker.
