

BLOOD DONATION

1st October 2015

The blood donation camp was organized on Friday, 1st October 2015, at Electrical Campus KIIT UNIVERSITY, with the help of KIMS under the supervision of Dr. Brahma and supporting staff of KIMS. The blood donation camp was organized by the electrical NSS volunteers of 3rd and 4th year. It began at around 10 am and continued up to 1 pm, with a steady stream of donors throughout. The camp is organized in a very disciplined manner checking each and every aspect of participant's health.

One of the rooms was utilized for a thorough medical check-up of potential donors, as well as the donation itself, while another there was another hall where donors could lie down and recuperate for a while before they leave the venue. Refreshment was given to them. Throughout the morning, there were smiles and laughter all around - a true embodiment of what we believe in - selfless service with a smile. The donors received a certificate of recognition. They also got a credit card where one unit of blood is available free from Govt. Blood Bank in the next one year. This camp helped students in getting awareness about their social responsibilities and showed enthusiastic participation for the same.
