

SANKALP

10-Dec-2015

This visit to the academy was very exciting . This time our agenda was to teach the children about different seasons and weather conditions. We told them about the food and clothing that change according to season. We also cleared their doubts on the subject of their choice. After this we had an music competition.

This visit was Christmas based . We told them the story behind the celebration of Christmas. we had a drawing competition on the theme of Christmas. We also taught the children the subject of their choice.
