This visit was after a long time . The agenda of the visit was Green Diwali Clean Diwali . Volunteers took with them diwali cards. The children were taught to make diwali greeting cards , decorative items and paintings. The volunteers also told them story behind celebration of diwali. They were also given an idea on how to celebrate diwali in a clean and eco friendly manner. Also they were told about the safety hazards associated with bursting of crackers and their preventive measures.

The visit to the academy is indeed a great opportunity because their innocent smiles bring loads of happiness to our hearts.

Today ,we taught them about the about the cultural heritage of Odisha . At present famous Bali Yatra is going on. We also told them about after different tribal art of the state. They showed us an astounding dance performance. In a nutshell we had an amazing ecstatic experience .It was fun being around these little kids . In only a couple of hours ,these children filled us all with
