

15th August 2016 – Independence Day

“Long years ago, we made a tryst with destiny and now the time comes when we shall redeem our pledge... At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom.”
– Jawaharlal Nehru

Each year 15th August is observed as the independence day of India, the day when India got freedom from the chains of the Britishers. This year on 15th August 2016, the NSS volunteers of KSOM showed their sense of patriotism by participating in the flag hoisting ceremony at KIIT Campus. After this ceremony, a group of students captivated the crowd with their wonderful voice filled with patriotism. Following this, sweets were distributed among all the members as well as all the students and staff members present there. This was followed by an university level gathering by all the NSS Volunteers of KIIT University showing their patriotism and love for the nation with various enthusiastic activities such as Street Play, Dance, Singing, Extempore, etc.

Outcome: It was a matter of great honour to be part of a historic event, in a small way. We felt a sense of responsibility and pride to give a small time of our day, remembering the heroes of our land-courageous men and women who fought for our freedom.
