

Report: Blood Donation Camp

Date: July 22, 2017

Venue: Campus 3. School of Electrical Engineering

Organised by: NSS Electrical (with the help of KIMS)

Do you feel that you don't have much to offer? You have the most precious resource of all: the ability to save a life by donating blood! Help share this invaluable gift with someone in need. Since its inception NSS has been locked in changing the world, one good deed at a time. Having invested in helping others. With this strong believe NSS in association with School of Electrical Engineering&Kalinga Institute of Medical Science organised a blood donation camp. a noble gesture in order to save lives. July 22, 2017: Saturday was marked as the date for the blood donation camp, the camp was organised at campus 3 of KIIT University under the supervision of esteemed doctors fromKIMS. The blood donation camp was inaugurated by Dr.C.K.Panigrahi (Dean.School of Electrical Engineering) at 10am. A makeshift donation camp was setup along with beds and equipment to make the blood donation process a smooth one. Students from various branches and year joined in to save lives and make this noble cause a successful one. KIMS provided with a team of doctors who there to check every donor's physical health and in case of any post donation health issues. The blood donation started around 10am and lasted for aspan of 5 hours ending briefly at 2pm. There was a total of 46 people turning up for blood donation, after the donation they were given juice .bananas, oranges to regain their strength and as advised by the doctors in the scene each donor was made to rest for at least 30 minutes before the doctor re examined them and declared them free to go. Many from the NSS volunteers pitched in for the noble cause as well after they made sure that every other donor was properly look after and the blood donation camp proceeded without a glitch. Under the constant supervision of Prof.JagritiDey along with the group of doctors and enthusiastic and efficient group of NSS volunteers the blood donation camp was a huge success.

NSS would like to thank all the KIMS authorities who supported us with the necessary equipment and manpower as well as the other people involved in the smooth operation on the big day and the donors whose donation will help to save someone's life.
