

REPORT: CITIZEN'S CONNECT PROGRAM

Date: August 12, 2017

Time: 11am to 2 pm

A country can only progress when every woman living in our country feels safe and can follow a passion of her choice without being judged and they get an equal right to grow and live. To introduce women empowerment and equality of women in our college and in the hearts of every volunteers associated with NSS, NSS Electrical decided to include its volunteers in a brain storming session of poster making on the topic SAFE CITY.SAFE CAMPUS. Students showcased their talent through the medium of colours and pencils, through their art and portraying their emotions about how they wanted their campus to be safe. The agenda of the topic was clearly reflecting from their drawings. Each quotation on the drawing sheets expressed a lot how the students were trying to show their efforts regarding Safe City Safe Campus. The competition was for a duration of one and half hour where participants were overwhelmed to convey their message through their posters. Our respected programme officer Miss JagritiDey, judged the competition. SreyashiSaha, bragged the first prize andSheelkaVishwakarma was announced as the runner up. Boththe girls had justified the agenda through their drawings. They were awarded with water colours as the token of appreciation for theirachievement. Every participants had enjoyed the event and interacted with each other and showed their eagerness towards the achievement of the agenda Safe City, Safe Campus. Volunteers actively helped out the participants to make the competition successful.

The event ended at around 2pm with volunteers distributing refreshment to the participants.
