

Slum Visit- 1st September 2017

NSS Wing visited Adivasi Primary School in Salia Sahi locality of Bhubaneswar to teach and help the students to cope up with their studies. NSS volunteers with great passion and excitement went to visit the school with a goal to make a small change which will help them move forward in their life.

The volunteers helped the students by teaching them basic English like alphabets and how to write their name in English. They were also taught mathematics like name of various angles and multiplication and also the students were asked to come up and write a word in English on the board so that their self-confidence gets better. The volunteers cheered up the students by merrily spending some time by singing song and rhymes, chatting and playing games with them. The school visit was a great success and a joyful experience for the NSS team and as well as for the school student
