Transgender Sensitization Programme- 5th April 2018

The NSS wing, School of law, KIIT University organized an interactive session with an agenda to sensitize the students and make them understand the real aspect of the life of the Transgenders People and their struggles.The dignitaries for the session were Ms. Aishwarya Rutuparna Pradhan,Ms. Sadhana Mishra, Prof. N. Khuntia & Prof. Sushant Tripathi. Welfare Council, Kadambini Sambhardana 2017, Human Rights Achiever Award 2017 By Human Rights Council of India.The session was rigorous which began with the lightning of the lamp followed by the songs sung by the NSS Volunteers. Felicitation of the eminent personalities was followed by The welcome address was given by the Professor Dr. N.K. Chakrabarti, School of Law, KIIT University emphasizing on the motto to change our mindset. The welcome address was followed by the speech of N. Khuntia Sir. Ms. Sadhana Mishra was invited for interacting with the students. She emphasized on changing ourselves, our mindset.The speech was followed by an interaction with Ms. Aishwarya Rutuparna Pradhan. Her speech taught the audience that in spite of all the odds that one faces, he/she can still succeed in their life. Furthermore what the audience took from her was to change the mentality of the society.They also encouraged everyone to write letters to the Government of India for recognizing the transgenders in the educational institutes and also different Government jobs.The entire session was under the supervision of Ms. Jinia Kundu, who is the faculty coordinator NSS wing, School of Law. She even actively joined in the session. The entire program was a learning experience which was welcomed by the participants and they learned and are willing to do something for the Transgender community as the budding Lawyers.The entire session was a huge success. Ms. Sadhana Mishra complimented that this is the first college which organizes such beautiful programs to sensitize the students.
