

Constitution Day With Transgenders- 26th November 2017

The NSS volunteers of KIIT School of Law on the occasion of Constitution Day (National La Day) took small steps to celebrate it in a unique way. They visited an area where many people of transgender community reside and celebrated constitution day with them by having a synergistic discussion about their right as per law ensuring equality before law and equal protection of law irrespective of caste, creed, sex, religion, race, etc. The volunteers also learnt about the social issue and contempt faced by them.

The volunteers were able to restore the faith of transgenders in law and also developed a healthy bonding with them.

VOLUNTEERS, NSS WING, KIIT SCHOOL OF LAW ALONG WITH THE PEOPLE OF TRANSGENDER COMMUNITY CELEBRATING CONSTITUTION DAY
