Happiness is the key to a healthy life. However, not all are fortunate to enjoy happiness. Team NSS KSOM came up with a motto of gifting a smile to the residents of Daya-Ashram, an Old Age Home located in Cuttack. Daya-Ashram is home to 60 golden agers. Members of the team indulged themselves in cultural events such as singing, dancing and storytelling in order to rejoice the residents. No official felicitation, no medals, no prize money is ever equivalent to the satisfaction that the team achieved by this event. **Alone we can do so little; together we can do so much.**

Outcome: A day spent with these experienced bunch of ladies and we tried bringing a smile to their faces giving them a sense of belongingness.
