

PROJECT REPORT OF LIPI

Saturday, 25th August, 2018

BHUBANESWAR

PrasantiVihar Project U.P. School visit report.

We the volunteers of NSS SCE : Project LIPI visited PrasantiVihar School on Saturday, 25th August, 2018 at 8:00 am.

The school is situated at a distance of 2km from KIIT University. We left for the school at 7:30 am. We reached there at 7:45 am. Class teachers were taking attendance in their respective classes, so we waited for them to finish. Then we talked with the teachers, who led us to the different classes to conduct our sessions which was of 2 hours. Our main motive was to enhance the communication skills and work on personality development of the students. Our focus was on how to teach them, about how to present themselves in front of others.

We decided to take classes from class 3 to 8. All the classes were well maintained and clean. Walls were well painted. The whole ambience was very vibrant. The students were very enthusiastic towards learning new things, and patiently listened to us. The co-teachers co-operated with us a lot as well.

We divided ourselves, and took up different classes. As our main focus was on teaching English language, so that students have a basic knowledge about how to interact with someone, so we had a pre-planned strategy and syllabus to focus on.
