

NAME OF EVENT:JAL SAKTI ABHIYAN

RESOURCE PERSONS:

Prof. Gaurav Udgata,

Prof. Satya Ranjan Samal & KIIT School of civil engineering

Date of Event.:20-07-2019

SUMMARY

Together, we'll protect the environment. By this motto NSS BUILDERS (KIIT School of Civil Engineering) organized JAL SAKTI ABHIYAN on 20th July 2019 at Campus-3, Khatjori Campus. After the severe impact of super cyclone "FANI" that hit Odisha on 3rd May 2019, the city had lost its greenery. This plantation was done under Jal Sakti Abhiyan that was the contribution of NSS builders, Members and Staffs of KIIT School of Civil Engineering to rebuilt the environment as well as nurture them like parents. This event was accomplished by success.
