

OLD AGE HOME VISIT
ORAGANISED BY:-NSS SOEE

DATE:-8TH SEPTEMBER 2019(3 HOURS)

“Life is a process during which one initially gets less and less dependent, independent, and then more and more dependent.”

The complete life, the perfect pattern, includes old age as well

as youth and maturity. Old age has its pleasures, which though different, are not less than the pleasures of youth. This is something which the volunteers of **NSS SOEE** realized when we visited an old age home, **Shri Krishna Old Age Home** near Lingaraj temple on 8th September 2019.

We found two categories of people there: ones who were abandoned and deserted by their families and others who were physically disabled and mentally disturbed. Whatever the case may be, the sufferers were the aged ones.

Old age is also called the **second childhood**, and is a time when one needs love and care of the near and dear.

The volunteers of **NSS SOEE** tried to fill the voids in their lives with joy as much as we could. The event was coordinated by 2 teachers. The volunteers reached there early morning and were greeted with warmth and love. The volunteers greeted them with handmade cards and organized some fun activities like playing games, performing songs and dance for them.

Tough the time spent with them was just a few hours, however it taught the volunteers the lesson for lifetime.
