Hon'ble Prime Minister Mr Narendra Modi urged the people of India to keep their surroundings clean during his first address to the nation on the eve of Independence Day. NSS have been conducting various activities under the cleanliness drive in the past. The event was inaugurated by NSS Bureau head Dr. Kajal Parashar and was guided by NSS programme officers Prof. Satyadeep Das and Prof. Sruti Singh, **NSS SOEE(KIIT)**.

Around the two weeks the **NSS SOEE** volunteers aimed at the cleanliness of the surroundings in different groups. This is the biggest hope for the change in India against unhygienic to remove all the dirt from the country. Now, there are many peoples who took a step ahead to make awareness and clean the city and country. Each and every person should take the responsibility to clean their homes and surroundings clean. The efforts in this direction are started in very fast mode. Everyone must make an effort to make awareness among the people about the importance and effects of cleanliness.
