

13. CANDLE MARCH – PHULWAMA ATTACK

DATE: 14th February 2020.

A candle march was organised as a death anniversary of 40 CRPF soldiers in the Phulwama, Jammu and Kashmir. The ruthless killing was a part of terror attack in which an IDE filled vehicle rammed into the convoy of CRPF Jawans, killing 40 of them.

The students and volunteers of different school participated in the candle march. The event turned out to be successful with the participation of security guards and the local people, which clearly embarks that people are with the soldiers of the country and such dastardly attack will never be commendable.
