

12. CORONA VIRUS AWARENESS PROGRAMME

DATE: 8th February 2020.

The volunteers of NSS SME organised an awareness programme for the villagers of Kesura regarding Novel Corona Virus (n-CoVid) and Bird Flu. The precautionary procedures were told to the villagers and were told to follow all the government orders. The instruction to villagers was necessary to eradicate the terror due to spread of virus among them. The Odia speakers from the group were given the task and they handled the task effectually.
