

KIIT
DEEMED TO BE UNIVERSITY
NSS SOEE

The volunteers of the NSS SoEE had organised an event on the occasion of Diwali on the 14th November to put a smile across the faces of the people in need. The main agenda of the event was to reach out to as people as possible who could be helped out in any way through our efforts. Again, the members lit atleast a diya dedicating it to a general cause affecting everyone namely, a pollution free Diwali, a better economic scenario of our country, praying for the pandemic to soon get over and for the removal of darkness from every household. The members were spearheaded in the event by program officer of the NSS SoEE, Prof. Sruti S Singh Maam. On behalf of the whole NSS SoEE we would thank Dr. Kajal Parashar Maam and our founder Dr. Achutya Samanta Sir for giving us this opportunity.
