

OBSERVATION OF WORLD
ENVIRONMENT DAY
ORGANISED BY:-NSS SOEE
DATE:-5TH JUNE 2020(2 HOURS)

"Earth provides enough to satisfy every man's needs, but not every man's greed."

World Environment Day is celebrated every year on **5th June** worldwide. It is celebrated to encourage people to stop the negative effects of the environment around the world.

Several measures were taken to insure plantation amidst pandemic. The best gift or legacy we can pass down to our next generations is a good environment to live in, free of toxic gases and pollution.

Volunteers of **NSS SOEE** planted saplings in their surroundings by taking several safety measures.
