

SCHOOL OF CIVIL ENGINEERING
NSS BUREAU, KIIT DU
ART OF GIVING

25-12-2020 TO 15-01-2021

Organized by :- KIIT NSS BUREAU , SCHOOL OF CIVIL ENGINEERING

With the arrival of **2021**, **NSS BUILDERS** organized **ART OF GIVING** campaign on **NEW YEAR'S EVE** and in the first two weeks of **2021** to make it special for the underprivileged and poor people and start their **NEW YEAR** with **KINDNESS** and **COMPASSION** that **NSS** stands for.

In between the shiny bright lights of new years eve when people were making resolutions and enjoying with their families and friends, the **NSS** volunteers realized that there are people who are suffering who don't have access to the basic necessities of life. They are thriving to survive from the endless cold nights without a roof and without a piece of warm cloth on them. So, under the mentorship of Program officer Prof. Satya Ranjan Samal and Prof. Gaurav Udgata it was decided by the volunteers from all over the country to take a solving approach by distributing blankets to poor and needy people in each and every possible corner of **INDIA** and bringing a smile on their faces.

It was a very heart whelming experience that must have given a cloud of thoughts and rain of satisfaction and happiness to the **NSS VOLUNTEERS of the School of Civil Engineering.**

The volunteers of the **NSS Bureau of KIIT School of Civil Engineering** have extended thankfulness to the Hon'ble Founder Dr. Achyuta Samanta; Vice-Chancellor Prof. Hrushiksha Mohanty; Pro-Vice-Chancellor Prof. Sasmita Samanta; Dean SCE, Dr. Sanjib Moulick, and Program Coordinator KIIT NSS Bureau, Prof Kajal Parashar for their constant support and guidance.
