➤ **ACTIVITY 5 (Date: 04.04.20)**

|An awareness video on Covid-19|

How we can be individual heroes in the society?

The video represented the guide to gain those superpowers to help our mother Earth, in fight against Corona Virus.

It further stated how we can keep ourselves safe during this pandemic by abiding all the laws prescribed by the health ministry and doing our part in tracking the Corona Virus to eradicate this on global scale.

➤ **ACTIVITY 6 (Date: 04.04.20)**

|Coronavirus awareness|

A poster was released about five basic things like Social Distancing, Being Cooperative, Paying Daily wages to the workers and providing poor and stray animals with food and if possible with shelter , we can prevent the spreading of this virus. . Requesting everyone to follow all the guidelines provided by the government, surely we can come over this period of pandemic

➤ **ACTIVITY 7 (Date: 05.04.20)**

|9 minutes|

A poster was released to request all to turn off all the lights of their home and light candles, diyas or flashlights from 9 pm to 9:09 pm on the 5th of April as a symbol of how we stand united and strong as human beings against the dreaded corona virus that has ravaged nations across the globe.

➤ **ACTIVITY 8(Date: 13.04.20)**

|How to make a simple face mask at home|

We all have learnt about the importance of leading a healthy and hygienic lifestyle over the past few weeks to tackle the Coronavirus looming all over us.

The most important tool to keep ourselves safe from the virus is a face mask.

A tutorial video was created by the volunteers of NSS SoEE on how to make a face mask right in our homes using some basic commodities since it was really tough to find a face mask in the market nowadays.

➤ **ACTIVITY 9 (Date: 23.04.20)**

|How to clean our hands without wasting water|

We are living in dire times where maintaining a strict hygiene is of the utmost importance. Washing hands regularly serves as a bridge between life and death.

A tutorial video was created by the volunteers of NSS SoEE describing how we can maintain clean hands without wasting one drop of water more than what is necessary.

➤ **ACTIVITY 10 (Date: 08.04.20)**

|Awareness video on COVID-19)

Video awareness on how we are collectively facing a Pandemic threat that is sweeping across the humanity beyond oceans and borders. Considering the seriousness of COVID-19, this the time to join hands virtually and fight against this disease. Acknowledge the issue, care for precautions, act in the best health interests of society and isolated, yet together, we shall hurt Corona.

➤ **ACTIVITY 11 (Date: 08.04.20)**

[SAFETY PRECAUTIONS ON COVID-19]

A video was spread informing everyone why we need to protect ourselves from corona virus and how we can do it by following some basic steps, we can help reduce your risk and do our part to protect others.
