

Awareness Campaign on Basic Hygiene and Sanitation at Tangibanta Village

Feb 22, 2021

Now everyone in the world understands that their actions today will determine to what extent they can bring down the impact of the pandemic. It is very important for every Indian to remain aware and alert. Everyone needs to avoid crowds. Sanitation plays an important role during this pandemic.

In this context, the volunteers of NSS, KIIT School of Electronics Engineering and NSS, Kalinga Insti...
