

Memorandum of Understanding

Between

Aberystwyth University, UK

And

Kalinga Institute of Industrial Technology, India

1. Rationale for the Agreement

Aberystwyth University (Penglais, Aberystwyth, Wales, SY23 2AX, United Kingdom) and Kalinga Institute of Industrial Technology (KIIT), (Bhubaneswar, Odisha, 751024 India) hereby enter into this Memorandum of Understanding as means of promoting academic collaboration and cultural co-operation.

Both institutions declare that they have significant areas of common academic interest which it would be beneficial for them to explore jointly.

2. Purpose of the Agreement

The purpose of this Memorandum is to facilitate continued dialogue between the two institutions with specific reference to:

- 2.1 the identification of areas of possible mutual academic interest;
- 2.2 the identification of potential research opportunities and initiatives;
- 2.3 the dissemination of information and the sharing of experiences among staff and students of the two institutions

3. The Memorandum

Under this Memorandum the two institutions may seek to:

- 3.1 facilitate the exchange of staff, students and researchers for the purpose of teaching, study and academic research;
- 3.2 encourage a reciprocal exchange of books, publications and other academic information, subject to there being no legal restrictions on such exchanges;
- 3.3 undertake joint research, including publications and other appropriate activities, between staff and/or students from each institution;
- 3.4 support other cognate activities, (for example, participation in conferences, academic meetings, and joint exhibitions)
