Dear Dr Sanghamitra Pati

I am pleased to inform you that the proposal listed above to the GCRF Global Multimorbidity seed funding call, has been recommended for funding by the panel.

The offer is based on the information provided in the attached documents meeting UKRI assurance requirements.

Feedback will be sent to you by Dr Woodgate by mid-March 2020.

Before we are able to offer you the award you are required to read and complete the two attached documents and send them to international@mrc.ukri.org and duediligence@ukri.org by the 21st February 2020.

If you have any questions please do not hesitate to contact me.

This communication is for information only and does not constitute a legal commitment.

Kind regards

Sam
