Sub: - Organization of two days Skill Lab Induction Training.
Ref. No.: Email dated 5th March, 2018.

Respected Sir,

Jhpiego in co-ordination with Kalinga Institute of Nursing Sciences is organizing two days Skill Lab Induction Training on 27th & 28th March 2018 in KINS conference Hall. Two participants from KINS & two participants from KIMS will be joining in training programme. Accommodation is required for twelve participants including breakfast & dinner for two days (27th & 28th March, 2018). You are requested to arrange guest room for twelve participants for two days.

Thanking you with regards,

Yours faithfully

Principal, KINS. KIIT University
Bhubaneswar, Odisha

Subject: Thank you for your support during the visit of USAID officials to KINS

Dear Madam,

We would like to thank you for your cooperation extended to us during the visit of Country Director, Jhpiego and USAID Officials on 19th January 2018. The visiting officials appreciated the efforts taken by KINS & KIIT University and the enthusiasm among faculty members for strengthening of Pre-Service Nursing-Midwifery Education. We foresee, KINS as a leader in providing quality nursing-midwifery education in the private sector and playing a much bigger role in strengthening nursing education in Odisha overall.

We look forward to work with you.

With thanks and warm regards

Dr Anita Anasuya

2 Day Training of Trainers for Capacity building of faculty from private nursing institutions

Goal of ToT

- To prepare trainers to facilitate training of nursing faculty to standardize their teaching skills and clinical coaching skills and Continuous Professional Development (CPD). This will ultimately lead to improved capacity building of student nurses during their Pre-service course to enable them to be competent and confident for their future role.

Objective

- To orient resource person on the use of VC software/platform
- To sensitize the facilitators on the LRP/content for faculty development and student trainings
