Dear Dr. Jagnyaseni Tripathy:

Hi Jagnya,

Now that I have the official information that I can send out it looks like for this in addition to what you've already sent me I will need you to have your official transcript addressed and sent to Bridgett Kemp as detailed below, 3 recommendation letters signed and sent to me, follow the links to the background check forms below and once you've filled them out submit them directly to the office of human resources directly the address and fax number are on the form.

If you have any questions let me know. Once they have everything they can submit for hire.
